

List of participants of field symposium ‘Towards restoration and wise use of peatlands in Poland’ held in August 2006 – co-signatories of IPS – SER resolution about Rospuda Valley:

1. Roxane Andersen, Peatland Ecology Research Group (PERG-GRET), Université Laval, Canada
2. Mireille Bellemare, Peatland Ecology Research Group (PERG-GRET), Université Laval, Canada
3. Adamantia Chatziapostolou, Ph.D. Student, Section of Earth Materials, Department of Geology, University of Patras, Rio-Patras, Greece
4. dr. Herbert Diemont, Alterra, Wageningen, the Netherlands
5. Paulina Dzierza, Save Wetlands Association, Warsaw, Poland
6. Dr. Catherine Farrell, Peatland Research Scientist, Bord na Mona, Leabeg, Tullamore, Co. Offaly, Ireland
7. Natacha Fontaine, Peatland Ecology Research Group (PERG-GRET), Université Laval, Canada
8. Jacques Gagnon, Premier Horticulture Ltd, Quebec, Canada
9. Martha Graf, Peatland Ecology Research Group (PERG-GRET), Université Laval, Canada
10. Lenuta Hanganu, Romania
11. Kimon Hadjibiros, National Technical University of Athens, Athens, Greece
12. Jenica Hanganu, Danube Delta National Institute for Research and Development, Tulcea, Romania
13. Claus Helveg Ovesen, Aamosen-Tissøe, Museum of Kalundborg Region, Kalundborg, Denmark
14. dr. Bettina Holsten, Kiel, Germany
15. dr. Norbert Holzel, Institute of Landscape Ecology, University of Munster, Germany, President of the European chapter of Society for Ecological Restoration International (SERI-Europe)
16. Kurt Johnson, University of Minnesota Duluth, USA
17. Agata Klimkowska, Department of Nature Protection in Rural Areas, Institute for Land Reclamation and Grassland Farming in Falenty, Raszyn, Poland
18. dr. Wiktor Kotowski, Department of Nature Protection in Rural Areas, Institute for Land Reclamation and Grassland Farming in Falenty, Raszyn, Poland;
19. dr. Uwe Lenschow, State Agency for Environment, Nature Protection and Geology Mecklenburg-Vorpommern, Güstrow, Germany

20. Jacinthe Letendre, Peatland Ecology Research Group (PERG-GRET), Université Laval, Canada
21. dr. Tom Malterer, University of Minnesota Duluth, USA
22. George Mitalasguest, Athens, Greece
23. Francis Muller, French Mire Resource Center, Besançon, France
24. Wim Ozinga, Alterra, Wageningen, the Netherlands
25. John Pittenger, Blue Earth Ecological consultants, Santa Fe, New Mexico, USA
26. Claudia St-Arnaud, Peatland Ecology Research Group (PERG-GRET), Université Laval, Canada
27. Francois Quinty, Ter-rest Canada Inc, Miramichi, New Brunswick, Canada
28. Prof. Line Rochefort, Industrial Research Chair in Peatland Management, Université Laval, Canada; Chair of IPS commission V (After-use of peatlands); Board member of IMCG (International Mire Conservation Group).
29. Raymond Schrijver, Alterra, Wageningen, the Netherlands
30. Karen Yori, Blue Earth Ecological consultants, Santa Fe, New Mexico, USA
